

IUPESM 2025

World Congress on Medical Physics
and Biomedical Engineering

29 September – 4 October 2025
Adelaide Convention Centre, Australia

ACPSEM
Australasian College of Physical
Scientists & Engineers in Medicine

SPONSORSHIP AND EXHIBITION OPPORTUNITIES

From 29 September to 4 October 2025, over 2,500 delegates from around the world will gather for the IUPESM World Congress that stands as a cornerstone of the global biomedical engineering and medical physics communities - and you can join them!

Seize the opportunity to connect with the foremost minds in biomedical engineering and medical physics. Engage with scientists, engineers, researchers, innovators, and corporations, fostering valuable connections. The Congress will be an immersive experience, facilitating the exchange of the latest research, technologies, and insights that collectively define the trajectory of healthcare delivery.

The IUPESM World Congress 2025 has released sponsorship and exhibition opportunities, and we invite you to participate in the world's largest event for biomedical engineering and medical physics. As a sponsor or exhibitor, you will have direct access to experts in the field. It will be the perfect forum to showcase your products, capabilities, knowledge, development, and services to the broadest spectrum of experts in the field.
