

photography competition held with  
the IUPESM World Congress 2025

# MEDBIOGRAFIA 2025

<https://wc2025.org/photography-competition/>

*Medical Physics, Biomedical Engineering, and  
Science in Medicine through Photography*

Submit your images to the photography  
competition held with the IUPESM World  
Congress 2025 in one of three categories:

1. Bridging the Gap: Science,  
Technology, and Clinical Practice for  
a Sustainable World
2. General Category
3. AI created images

[www.photographyinmedicalphysics.com](http://www.photographyinmedicalphysics.com)

The images are assessed by a panel of  
judges based on their visual impact,  
storytelling aspects, and technical quality.

The images are presented to the public  
and all are invited for a public vote.

Prizes will be awarded during the World  
Congress in Adelaide, Australia.
